

Adam Andrzejewski, a conservative DuPage County Republican who sought the GOP nomination for governor last year, said his political action committee, known as For the Good of Illinois, backed Halbrook. "For The Good of Illinois PAC encouraged a very strong Republican County chairman to challenge Roger Eddy in the Republican primary," Andrzejewski wrote Monday. "In six days, volunteers gathered 1,500 petition signatures." (Source: Champaign News-Gazette, December 6, 2011)

NOW FOR SOME FACTS!

Further examination reveals that this "very strong Republican County chairman" that Andrzejewski supports **actually voted Democratic in 2 of the last 4 Primaries!** That's right. Brad Halbrook, Republican candidate for State Representative has previously voted in Democrat Primaries.

In addition, except for one page of over 100 petitions circulated, all **petitions were circulated by individuals who do NOT RESIDE IN THE 110TH DISTRICT.**

In fact, **candidate Brad Halbrook does not even reside in the 110th district.** Halbrook says he will move if he wins, but moving an entire farmstead will be difficult to say the least. His campaign manager, **Susan Petty of Effingham, also does not reside in the 110th District.** The entire Board and Advisors listed on the For the Good of Illinois Website **reside within the Chicago suburban area.**

The **FACT** is that a **Chicago area millionaire and his friends are attempting to control the way that the citizens of the 110th District are represented by throwing money and power behind a candidate to run a smear campaign so that their candidate will do what Andrzejewski says to do when he says to do it...including voting for a school voucher bill that would divert downstate money to Chicago Schools.**
